4th Mediterranean Championships in Orienteering

Message from the Mayor of the Jezreel Valley Regional Council

We are pleased and excited to host the 4th Mediterranean Championships in Orienteering in the Jezreel Valley Regional Council. For most of you, this competition offers you an opportunity to see and experience, for the first time, the diverse aspects of Israeli geography and culture.

Jezreel Valley is Israel's cradle of settlement and agriculture, which you will certainly see while orienteering in the valley and surrounding hills. You are invited to feel, see, hear and smell the unique character of this area, which combines a long history from the Bible with modern agriculture and community life. While orienteering, you are apt to discover some of the hidden gems of the valley – such as an ancient well or a wine press.

I thank the many volunteers working to make the event a success. I wish all competitors a rewarding and successful championships that will allow each and every one of you to excel. Come, run, orienteer, and enjoy. I am certain our valley's spirit of sportsmanship will accompany you during the event, and will remain with you even after it ends.

Eyal Betser, Mayor
